- BxA3
- F5
- E6
- QD8
- KH8
- RF6

Carefully review Black's first 10 moves. Give it some thoughtful consideration...King's Indian Defense (KID)...well played. Even at the end I still think Black could have turned it around...review Black's 22nd move. What would have been a better move? Overall, Black played a solid game...proud of you, Nathan!
